**Subject:** WL Update Meeting

**Hi Dana – I wanted to go ahead and reach out to you to get a hold on calendars for the afternoon of June 8<sup>th</sup> if possible to have a meeting or meetings on West Lake. Mary Peterson, Alyse and I are planning on a trip (Mary will already be there for the SES meeting that week) to DC on the 8<sup>th</sup> and 9<sup>th</sup>. Mark will also be in DC that week and wants to try to meet with Mathy. I am having Mark's executive office manager check Mathy's calendar for June 8 – seems like Mark's schedule is pretty tight that day and I imagine so is Mathy's.**

**The purpose is to bring everyone up to date on where we are with the RI Addendum and FFS, generally discuss past HQ and NRRB comments and how we have/are addressing those, and discuss with you the timeline for the rest of the year. Are you able to block out some time the afternoon of the 8<sup>th</sup> or the morning of the 9<sup>th</sup>? I would also hope to meet with Doug, Amy, Heather, Amy and maybe Dave Bartenfelder while we are there, either all at the same time or in separate meetings.**

**Heather – would you be able to help me orchestrate this?**

**BTW - Alyse and I are also planning to meet with OECA and OGC while we are there in town.**

Thank you,

**Lynn M. Juett**
